

ABOUT THE GUILD

The Mountain Artists Guild was founded in 1949 by 25 Prescott artists. Membership currently exceeds 300. MAG provides an opportunity for members to expand their skills and creativity in a supportive environment and to volunteer their talents to help the organization.

MISSION

MAG, Inc. is a nonprofit organization dedicated to the promotion of the visual arts and crafts; the encouragement and education of artists and artisans through workshops and seminars, exhibits, scholarships, and fellowship; and the provision of a forum for art-related community events.

VISION

The Vision of the Mountain Artists Guild Art Center and Gallery is to be:

- An imaginative, cohesive, volunteer-based art center
- An organization free of debt, with adequate physical plant and parking facilities
- A learning center for artists and artisans of all ages to enhance creativity and skills
- A gathering place for artists, artisans and community organizations for mutual interaction and mutual benefit
- A respected provider of exhibition opportunities both within and without the gallery space, for members and other artists and artisans
- A resource for artists and artisans for information and art enhancement
- A focus for the Prescott area to become an art destination, statewide

To be, thereby, an indispensable asset to the community at large.
